2:35 PM eastern: check in (all)

2:40 PM: questions about previous meeting notes and upcoming meetings change of time (Rondinella/Simpson)

2:45 PM: Presentation – **North American Invasive Species Network (NAISN)** - Needed infrastructure in a multi-jurisdictional environment (Don Schmitz)

NAISN aims to unify and connect existing regional invasive species efforts into a single network to improve communication, collaboration, and overall coordination to help current invasive species management and prevention efforts across the continent. NAISN has been selected to host the 2017 North American Invasive Species Forum (formerly Weeds Across Borders).

3:05 PM: Q/A (All)

3:15 PM: Other topics (All)

3:30 PM: Participants' Roundtable (All)

4:00 PM: Adjourn

Next meeting: Wednesday, July 29th, 2:30 PM eastern time.

* To attend in person: please email asimpson@usgs.gov, include "FICMNEW" in the message subject, and include your name as it appears on the government-issued photo ID you will use to enter the building. Arrive 10 minutes early. The visitor entrance is on E Street NW, between 17th / 18th Streets. Nearest Metro Station is Farragut West. Once you sign in and pass security screening, take an immediate right. Meeting room 2642 is on left down that hallway. Annie Simpson's cell: 703-473-7516.
