10:30 AM eastern: call in/check in (all)

10:35 AM: questions about previous meeting notes (Bob Nowierski, USDA-NIFA, is facilitator)

10:40 AM: Presentation: "***Long term recovery after a firestorm including coordinated weed management***"
by Jon Wyss and Sheilah Kennedy

This year's firestorms in the state of Washington knew no boundaries and neither should our coordinated efforts as we move through recovery, seeding, prevention and implementing EDRR programs.

Jon Wyss is married with three children. He currently serves as Okanogan County Farm Bureau President, Chairman of the Coalition for Property Rights, USA Farmers Vice-President, US Apple Association North Region Director, Douglas County Shoreline Update Coalition Chair, Chairman of Brewster Boys and Girls Club, and now serves as the Chair for the long term recovery efforts in Okanogan County after Washington state's two largest wildfires in history.

11:00 AM: Q/A (All)

11:10 AM: Open Topics (All)

11:20 AM: Participants' Roundtable (All)

11:45 AM: Discuss next meeting date. October 28th conflicts with ISAC meeting, so FICMNEW is likely to be held at 2:30 PM on a different day. We are trying to arrange a talk on National Seed Strategy. Meeting will likely be rescheduled for early November. (Nowierski)

12:00 noon: Adjourn
