AGENDA

1. **Welcome: Mike Ielmini (USFS) and Gina Ramos (BLM)**
2. **Roll Call - FICMNEW Member Agencies and members of the public**
3. **FICMNEW October Presentation and Webinar**

Version 2.0 of a comprehensive list of U.S. non-native species and how it may relate to FICMNEW
by [Annie Simpson](#), U.S. Geological Survey biologist and information scientist

The USGS' recent update of its list of non-native species established in Alaska, Hawaii, and the conterminous United States is a compilation and analysis of authoritative assertions of the nonindigenous status of all taxa in our nation. Is a subset of this list relevant to weed managers and decision makers? Following the presentation and any resulting questions, join us in a conversation to discuss possible parameters of a potential FICMNEW weed list.

4. **Round Robin:** All participants are encouraged to share brief accounts of accomplishments, news, and upcoming events of interest.
5. **Next Meeting**
6. **Adjourn**
