

DMWG Best Practices Focus Group

This focus group is no longer active, it was active from ~2011-2013. See the [DMWG Focus Groups](#) page to access current and past Data Management Focus groups.

Data Management Working Group, Best Practices Focus Group

The Best Practices Focus Group was formed in early 2011 to compile a suite of best practices, lessons learned, learning opportunities, etc., regarding data management, lifecycles, etc. The goal is to organize this information and make it available through a website or portal.

Meetings

- The Data Best Practices Focus Group meetings will begin anew when new projects are identified.
