

Community Extension

This defines an Item as a Community in ScienceBase-Catalog and is best managed using the edit form in ScienceBase-Catalog

Properties

Property	Type	Description	Example
className	String	discriminator used by the system to identify the extension type	"gov.sciencebase.catalog.item.facet.CommunityFacet"
abbreviatedName	String	The abbreviated, short name for the community	"FRESC"
savedSearches	List<Community SavedSearch>	an list of savedSearch Objects which provide a list of bookmarked queries listed in the community navigation menu.	<pre>[{ description: "", name: "BaselineSynthesis", title: "Baseline Synthesis Projects", uri: "?q=&filter0=parentId% 3D4f4e4a81e4b07f02db649efb&community=WLCI" }, { description: "", name: "DataManagementProjects", title: "Data Management Projects", uri: "?q=&filter=tags% 3DData+Management&community=WLCI" }]</pre>
vocabCategoryId	String, BSON ID	The ID of a folder (or vocabulary) in ScienceBase Vocab for the community	
bannerType	String (from list)	The type of layout to be used for the community - mainly the header. "DEFAULT" - the standard ScienceBase layout "USGS" for the (old) USGS Viz ID. "FULL" aka "Top Banner (non-USGS) - layout with the option for a custom header graphic "CUSTOM" - deprecated	"USGS"
backgroundImageUrl	String, URL with https	URL for the image used as a banner (or color band). This is used a background in a HTML DIV and will be cropped if larger than 72 pixels tall in the USGS layout. The URL must use the HTTPS protocol to match the security of sciencebase.gov	https://my.usgs.gov/static-cache/images/banners/webbanner42.jpg
backgroundColor	String, HTML Hex Color	the color for the background of header/banner	#364d44
usgsTitle	String	The text for the title in the USGS Viz ID layout	"USGS Forest and Rangeland Ecosystem Science Center"
usgsTitleColor	String, HTML Hex Color	The color of the title text in the USGS Viz ID layout	#eee5d2
usgsTitleBackgroundColor	String, HTML Hex Color	The color of the background for the title in the USGS Viz ID layout	#927b63
template	Deprecated	Deprecated	

Example

```
{
  savedSearches: [ ],
  template: "",
  backgroundColor: "#364d44",
  bannerType: "USGS",
  vocabCategoryId: "",
  usgsTitle: "USGS Forest and Rangeland Ecosystem Science Center",
  usgsTitleColor: "#eee5d2",
  usgsTitleBackgroundColor: "#927b63",
  abbreviatedName: "",
  backgroundImageUrl: "https://my.usgs.gov/static-cache/images/banners/FRESC_banner.jpg",
  className: "gov.sciencebase.catalog.item.facet.CommunityFacet"
}
```
