

CDWG Meeting Notes -- 2016-12-08

Agenda:

1. Chad Fanguy from from the USGS Wetland and Aquatic Research Center will discuss the just-approved Nonindigenous Aquatic Species Mobile Data Collector.
2. The Department of the Interior just released the Department Mobile Privacy Policy (see https://www.doi.gov/sites/doi.gov/files/uploads/ocio_directive_2016-003_doi_mobile_applications_privacy_policy.pdf). We will discuss any concerns the community has.
3. Some CDI members suggested we rethink and consolidate the several Mobile App Development Checklists we are working from in light of this Department Policy and the new USGS Software Release Instructional Memo.
