

# TSWG - Meetings - 20110531

[Webex](#)  
[Etherpad of meeting notes](#)

[Webex Recording](#)

---

- Updates from [MAD](#)(5 minutes)
  - Farial Shahnaz (MAD coordinator)
- Introduction of [ArcGIS on the Cloud sub-group](#)(AGS-Cloud) (25 minutes)
  - Gary Latzke (Wisconsin Internet Mapping (WiM) team)
  - Introduce new sub-group
    - Not [general AGS group](#)-->this is a somewhat dormant group for this.
    - Not general "cloud" group-->no such group currently exists.
  - Update on Geospatial Cloud Platform experiment
- Metadata tools and issues for web-served data content (25 minutes)
  - Rich Signell (Woods Hole)
  - [nclSO](#)
  - ongoing debates/development on management and precedence for varying sources of metadata
