

# APHIS Announces Stakeholder Help Sessions for Fiscal Year 2019 Funding Consideration through the Plant Pest and Disease Management and Disaster Prevention Program

07/23/2018

The U.S. Department of Agriculture's Animal and Plant Health Inspection Service (APHIS) is scheduling additional webinar "Help Sessions" to assist anyone who is planning to submit a suggestion to the Plant Pest and Disease Management and Disaster Prevention Program (PPDMDPP) for Fiscal Year (FY) 2019 funding consideration. The seven week suggestion open period began July 2 and will continue through August 17, 2018.

FY 2019, there is \$75 million available with at least \$5 million going to the National Clean Plant Network (NCPN). The open period for submitting NCPN project suggestions will be announced separately.

Information about the FY 2019 open period is available on the [APHIS Web site](#). Webinar dates and log-in information, which is also posted on the [APHIS Web site](#), are as follows:
