

How to cite BioData in a publication

The following is an example of how to cite the USGS Aquatic Bioassessment Data for the Nation (BioData) (<http://aquatic.biodata.usgs.gov>) website in a publication:

U.S. Geological Survey, [2017], BioData - Aquatic Bioassessment Data for the Nation available on the World Wide Web, accessed [June 10, 2017], at URL <http://dx.doi.org/doi:10.5066/F77W698B>.

**Please substitute your year and date, and remove brackets.*
