

UsabilityMonthlyMeeting 2021_04_21

Agenda:

- Discussion on contextual inquiry as a user research technique and how it fits in the user-centered design (UCD) process. In particular, we will focus on the following areas:
 - What is the Contextual Inquiry technique?
 - How can the Contextual Inquiry technique help?
 - Demo

Presentation(s):

- Please use [this link for the slides archived on the wiki](#)

Recording: [210421-usability.mp4](#)
