

Communication Working Group (CWG)

Description: A group to create lines of communication between CDI, the Science Centers, Regions, and Mission Areas.

Points Of Contact: JC Nelson, jcnelson@usgs.gov, Marcia McNiff, mmcniff@usgs.gov

Meetings: First Tuesday of every month at 3:30 ET

Purpose

The Communications Working Group (CWG) started in late 2015. The goal of the CWG is create lines of communication between CDI, the Science Centers, Regions, and Mission Areas. We will also help develop a communication strategy for CDI.

Membership

- The CDI Communication Working Group (CWG) welcomes the participation of anyone interested in CDI and promoting communication.
- We are going to strive to have membership that represents all the Regions and Mission areas in the first year.
- If you wish join the group, please email cdi@usgs.gov.
